Innovation, Internationalisation and
Sustainable Growth –... - Eventbrite

Delegates attending this Conference will:

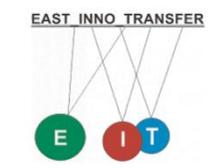

- Receive an advance copy of the **District+ Good Practice Handbook**, bringing together in-depth casestudies of the most exciting Good Practices from across Europe
- Gain an understanding of the lessons we learn from other parts of Europe, for the benefit of our own organisations and economy
- Learn how to efficiently and effectively adopt Good Practices in areas such as innovation, sustainability and business growth from elsewhere in a context of tightening resources
- Gain an insight into how the lessons from District+ may influence and improve our performance in future EU funding programmes including Horizon 2020 and the Structural Funds

Join us to mark the success of the District+ Programme, and share valuable lessons to influence and improve our performance in areas of Innovation, Internationalisation and Sustainable Growth and make the most of ongoing funding and business opportunities in Europe.

During and after the Networking Coffee, sub projects have their own dissemination events, held in different locations within the Faraday Wharf building.

Delegates to the regional event are able to attend the subproject events also. This will enable you to learn more about specific policies and practices addressed in the sub projects in the areas of

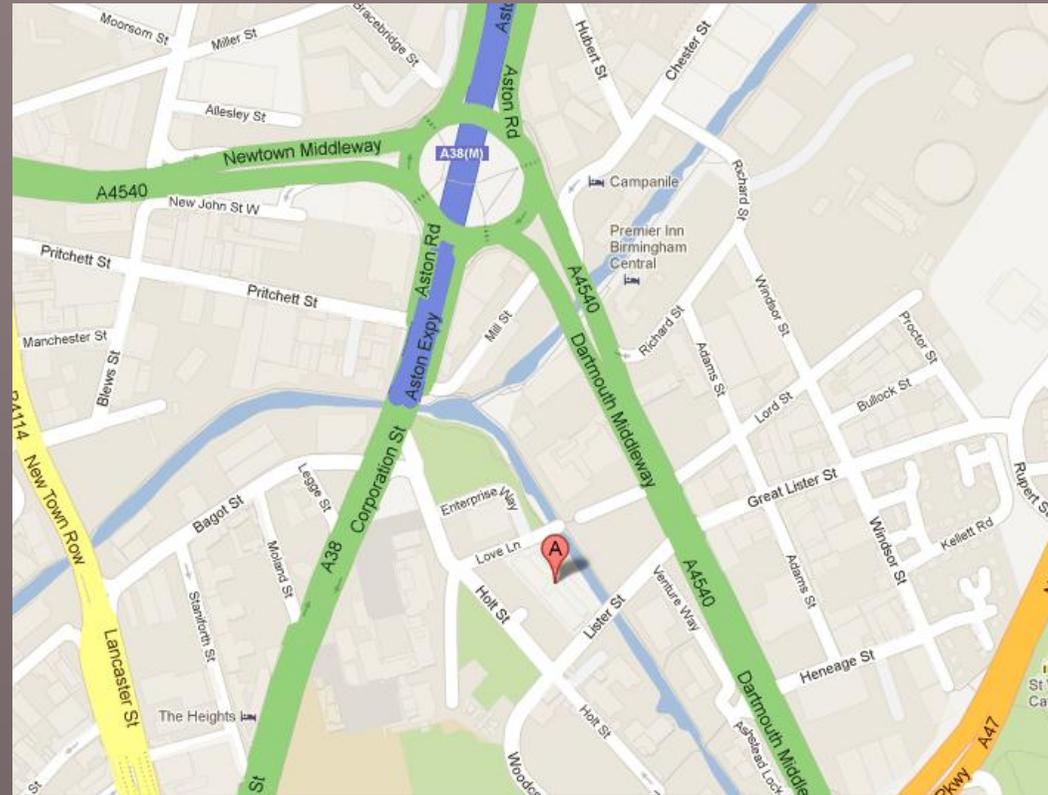

- Transfers of good practices between Regions;
- ECO-Innovation in construction and Transport;
- Developing successful Science Parks;
- Digital entrepreneurship in Science Parks without Walls;
- Internationalising Business Clusters;
- Innovation and technology transfer in the automotive industry.
