

The Big Biology Day

Featuring **The Great Biology Bake-Off**

The 'Big Biology Day' is a mini science festival with Biology at its heart and will be hosted by the Biological and Biomedical Sciences department here at Staffordshire University. We will have activities and stands for all ages. These will include guided walks around the Nature Reserve, forensic biology 'hands-on' stands, small mammals, bugs and bees and so much more...

Saturday 14 October

10.30am – 4.00pm

Science Centre,
Staffordshire University,
University Quarter, Leek Road,
Stoke-on-Trent, ST4 2DF
